

LARGE FARM MANAGEMENT

N°1 Agribusiness Conference in CIS and Europe

19-20 September

Agro-Region

AGRIBUSINESS 2018: AGRO OR BUSINESS?

Ukrainian Agribusiness Club together with UCABevent Agency organizes the [IX International conference “Large Farm Management” \(LFM\)](#).

This unique conference is entirely devoted to the key aspects of agribusiness management. 500+ top managers and owners of agricultural enterprises and holdings, as well as representatives of related industries, are expected to attend the event. Key speakers come from all over the world representing international scientific institutions, food processing companies, traders and wholesalers, Ukrainian and international agriholdings as well as financial organizations.

When: September 19-20, 2018

Where: Agro-region (Soborna St., 59, Velyka Oleksandrivka village, Boryspil district, Kyiv region)

The key topic of the event is “Agribusiness 2018: AGRO or BUSINESS?”:

- ✓ Genome editing of agribusiness: balancing between farming and business;
- ✓ R&D as it should be;
- ✓ Looking for optimal size: cross-sectoral experience;
- ✓ CSR is more than charity;
- ✓ Large Farm Management. Best European practices.
